Goal 4: Voices Opportunities Mid-Year Update 2023-24

Student Voices

We have met with students from:

- Haller Middle School
- Presidents Elementary
- Kent Prairie Elementary
- Eagle Creek Elementary

Loves about their school:

- Kind & hardworking staff
- Math

Do you belong and/or feel accepted:

- Yes, people are treated equally
- Yes, everyone is accepting

Do you feel safe:

- Yes, we have regular drills
- Yes, all doors are locked
- Yes, lots of adults

Helps Learning:

- Teacher helps to make it easier
- Small group work & being challenged
- Teacher explains

Hinders Learning:

- Disruptions in the classroom (loud talking & behaviors)

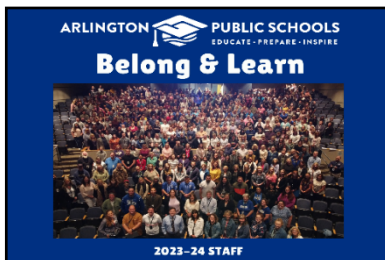

In the Future:

- Swings & more playground equipment

Action(s) taken related to feedback:

- Nutrition department is looking at ways to provide more food options. Several meetings have taken place at Weston and with the Student Advisory Council.

Staff Voices

Three staff voices opportunities took place on November 30, 2023 with only a few participants.

Working well:

- Instructional coaches
- HiCap parent focus group engages in constructive collaboration

Needs Improvement:

- Foster more academic acceleration
- Provide for intentional

In five years:

- CogAT (Cognitive Abilities Test) assessment given at all grades
- MTSS (Multiple Tiered Systems of Support) fully functioning to address academic acceleration

Actions taken related to feedback:

- We are looking ways to provide support for students who qualify for HiCap which includes a continuum and intentional classroom placement and clustering.

Community Voices

First community event took place on October 26, 2023 with only a few participants.

Working well:

- Communication
- Completed PSE contract
- Confidence in system
- Sense of belonging

Needs Improvement:

- Passing bond & parking lot issues
- Increase community engagement
- Continue to address COVID impacts

In five years:

- Weston and SVLC more integrated
- New Post Middle School
- Free food for everyone
- Mental health supports readily available, and less substance use
- Achievement scores higher
- Increased family involvement
- Less or no social media challenges

Actions taken related to feedback:

- ACE studying how we can increase community/family engagement
- Study started for assessing Weston and SVLC facility & program needs for the future and Post bond to voters 2-13-24.
